## **Instructions for Online Bid Submission**

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at: <https://eprocure.gov.in/eprocure/app>

### **REGISTRATION**

Bidders are required to enroll on the E-Procurement module of the Central Public Procurement Portal (**URL: <https://eprocure.gov.in/eprocure/app>**) by clicking on the link “Online bidder Enrollment” on the CPP Portal which is free of charge. As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts. Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP portal. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class III certificates with signing key usage) issued by any certifying Authority recognized by CCA India (e.g. Sify / nCode / eMudhra etc.) with their profile. Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC’s to others which may lead for misuse. Bidder then logs in to the site through the secured log-in by entering their user ID/password and password of the DSC/e-Token.

### **SEARCHING FOR TENDER DOCUMENTS**

There are various search options built in the CPP portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as organization Name, Form of Contract, Location, Date, other keywords etc. to search for a tender published on the CPP Portal. Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective ‘My Tenders’ folder. This would enable the CPP Portal to intimate the bidders through SMS/email in case there is any corrigendum issued to the tender document. The bidder should make a note of the unique tender ID assigned to each tender, in case they want to obtain any clarification/help from the Helpdesk.

### **PREPARATION OF BIDS**

Bidder should take into account any corrigendum published on the tender document before submitting their bids. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid: Please note the number of covers in which the bid documents have to be submitted, the number of documents – including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.

  8. If the bidders do not submit the required document/details with their bids then Institute may ask the bidders to submit the details/documents after opening of their bids. The concerned documents may be asked to submit on portal/e-mail/ by post etc. However, if three or more bidders are qualifying in the tender then bidders will not be asked to submit the details after opening of their bid.
  9. The tenders submitted by email will not be considered. No further correspondence will be entertained on this matter.
  10. The applicable labour cess related to this work will be deducted from the bill amount.
  11. Party should quote their rate inconsideration of material, labour, tools & plants, scaffolding etc. and all applicable taxes in the SOQ. The rate quoted by party will be considered as fixed and no other charges will be paid.
  12. ***Party has to take a clearance from U.P. Pollution Control Board for running a plant as and when required. The required statutory fee for same will be reimbursed by HRI on submitting the bill.***
  13. If bidder do not quote rate of any item under schedule of quantities or left the rate column blank then their bid will be treated as unresponsive & shall not be considered.
  14. Evaluation criteria of lowest bidder - The bidder will be finalized based on total lowest quoted amount both first- & second-year AMC.
  15. Neither the security deposit nor the retention money shall bear any interest.
  16. If the Government imposes any new taxes on this concerned nature of work after issuing the work order then same may be reimbursed to party if they submit the relevant proof of that.
  17. The contractor shall, at all times, take due and proper precautions against accidents or injury to the workers or any person or property, and shall indemnify the company for all motions suits or any damage or compensation payable in consequence of any accident or injury sustained by any workman or other person whether in the employment of the contractor or not.
  18. Any condition imposed by the party in this tender at their own will not be considered. There will no liability of HRI to take any clearance from party in that regard.
  19. Incomplete tenders are liable to be rejected.
  20. The financial bid will be opened only of the qualified bidder under technical bids.
  21. The contractor shall not assign or sublet the contract for the work of any part thereof.
  22. The contractor shall allow the Engineer-in-charge or their representative to inspect and supervise the work.
  23. Party has to get tested the sample of treated water from STP on quarterly basis from authorized laboratory.

24. The contractor shall, at his own expenses, within one week from the completion date, remove all tools, plants, scaffoldings, implements and unused materials from the site and leave the same in a clean and proper state, to the satisfaction of the Engineer-in-charge.
25. No escalation clause related to price hike of material & manpower is applicable in this work. The Contractor shall agree and undertake to totally indemnify HRI against all expenses, claims, payments, dues, fines, penalties, compensations, liabilities, and losses whatsoever which the HRI may suffer due to the default, violations, omissions thefts, or non-compliance of the statutory and/or contractual obligations committed by the Contractor or its employed. The HRI shall also have the right to deduct and recover all such losses and expenses etc. from any payments due to the Contractor besides seeking appropriate legal remedies for the balance amount or relief, if any.
26. **Payment terms:** Party may submit monthly RA bill for payment.
27. If the rate quoted by party for 2<sup>nd</sup> year is abnormally low as compare to 1<sup>st</sup> year rate, then annual payment will not be released more than 1/2 of total amount of AMC for two years
28. The staff of the Contractor deployed for operation/repair/maintenance work in the HRI, shall be the employee of the Contractor and at no time will be treated as employee of the Institute, nor will they ever claim to be employee of the Institute during the contract or thereafter.
29. The maintenance of entire machine/ equipment of plant will be in scope of work. However, if it is found that if any equipment of plant is out of order and repairing of it is not justified (due to over of their life span etc.) then only replacement of such part will be done separately by HRI otherwise party have to do maintenance/repairing of that at their own.
30. An amount equal to 2.5% of order value towards Security Deposit shall be recovered from the bills amount up-to 1<sup>st</sup> year. The security money will be returned after completion of work and submission of certificate by contractor that there is no statutory liability (taxes etc.) due on him for this work. If the party deposit equal amount of security money in the form of FDR/BG then required security money may be adjusted or released on the request of party. In addition, the contractor shall be required to deposit an amount equal to 5% of the order value of the contract as performance security (in the form of Demand Draft/FDR/B.G. of scheduled Bank guaranteed by the Reserve Bank of India) within 7 days from the date of award of letter of intent. If the performance security is not submitted by the contractor within stipulated period, then a penalty @0.1% per day of performance security will be imposed. The performance security will be released after completion of work along with the final bill. A draft of B.G. for performance security is given (ref. page no. 13, however, some changes in this format may be made by Competent authority of HRI at time of award of LOI).
31. As the nature of work is maintenance type therefore party have to attend any problem at earliest after getting information for complaint from concerned HRI official. If it is found that contractor is not taking interest for addressing the problem in time then warning letter will be issued to contractor. After warning if it is found that there is no improvement then a penalty amount @0.5% of order value will be deducted from their monthly bill for each warning. However, penalty amount will not be more than 10% of order value. The period between two warning will be one week or more. If it is found that party is not taking interest for addressing the problems regularly then competent authority of Institute may also take decision for terminating the order/contract of concerned work. In this case, EMD & Security money of the party will be forfeited. In addition party may be debarred to participate in any tender of HRI for a minimum period of two years or decided by competent authority, HRI.
32. If the contractor fails to execute and complete the work otherwise fail to comply with any of the terms and conditions of this order, then the Institute shall be at liberty without avoiding this order forthwith, to require the contractor to remove his workmen from the site and to take the work out of the hands of the contractor and to employ any other person to execute and use all materials, tools, scaffolding, plants, implements and things on or about the work, and thereafter neither the contractor nor his workman shall have any power to intervene with any person employed by the Institute. All expenses and damages to property incurred by the institute, consequent on the employment and certified by Engineer-in-charge and shall be paid to the Institute by the contractor or deducted by the Institute from any money due to or to become due to the contractor in this work or other work in HRI.

33. All labour regulation applicable by the central Labour Commissioner of Govt. of India shall be adhered to strictly. The wages of worker/workers involved in this work will be paid not less than minimum wages defined by Ministry of Labour, GOI.
34. Plant is to be operated in two shifts. In this connection one supervisor in general shift & one operator in each shift will have to be deputed by contractor at the site for smooth operation of plant. The staff (supervisor & operator) who will be engaged by the contractor should have minimum five years & three years' experience respectively for running/maintenance of STP.
35. In case the party shows unwillingness to do work after opening of their tender (financial bid) then their EMD, will be forfeited to HRI. In addition party may be debarred to participate in any tender of HRI for a minimum period of two years or decided by competent authority, HRI.
36. The word party or tenderer or contractor mentioned in the tender documents will be considered for those who are participating in this tender.
37. Party has to ensure gate entry (at Security gate, HRI) for any material before bringing at site. In this connection, they have to submit challan copy of materials in Engineering office at HRI for records.
38. For any information/clarification in this tender, you may contact Engineering Section, HARISH-CHANDRA RESEARCH INSTITUTE, during office hrs. (9.00 a.m. to 5.30 p.m.) on any working days. Decision of the Director of the Institute will be final & binding for all concerned.
39. Director, Harish-Chandra Research Institute reserves the right to reject any or all tenders without assigning any reason whatsoever. Harish-Chandra Research Institute would not be under any obligation to give any clarifications to those contractors whose tenders have been rejected.
40. All disputes will be subject to Allahabad jurisdiction.
41. The party will have to do work as per given specification and also to follow relevant IS code related to the concerned work.
42. The contractor will have to supply new and good quality of materials as per given specification under schedule of quantities (Price bid). In case of doubt related to any supplied material by the contractor, testing of material may be get done by any agency and for this the cost involved will be borne by contractor. If it is found that contractor has deliberately supplied the defective/wrong material then their tender may be cancelled. In this case, EMD & Security amount of contractor will be forfeited and they also be debarred for minimum period of five year (or as decided by the competent authority, HRI) to participate in any tender of HRI.

**Note: The contractor acknowledge that he has satisfied himself as to the nature and location of the work before submitting the tender.**
